

Carter Lake Newsletter

Hello Again,

Our City Budget runs from July 1st to June 30th, and we have stayed on track this past fiscal year with a balanced, responsible budget, even though there were a lot of hurdles. All the department heads worked their best to make that happen. The planning process started again in January 2019 for our new fiscal year which starts at the beginning of July 2019.

National Night Out is Tuesday, August 6th from 6:00 pm to 9:00 pm at Mabrey Park. Our Police Officers and Fire & Rescue personnel will be hosting this event again this year for the second time. Last year was a great turn-out, so please come and show your support.

Praxair, a long-time Carter Lake business on Avenue H, has submitted plans for a million dollar building improvement. This project shows their commitment to our town and is a big benefit to the area. TSL, also a long-time Carter Lake business on Avenue H, is moving ahead with a new building to house their loading equipment. This is a much needed project for this area.

The City Council has been working on finalizing the Rental Home Inspection Program. This process will start in September and we will be following the same guidelines as Council Bluffs.

We have a new Parks & Recreation Direction, Dan Krawczyk. He started here on June 10th and he brings some great new ideas for recreation. Please watch the Community Calendar for the new upcoming events. If you have any suggestions, please contact Dan.

I appreciate all the hard work the volunteer community members have put into various events and projects. We could not do this without their input and support.

Have a happy and safe summer!
Sincerely, Mayor Ron Cumberledge

Animal Control

(402)-658-1722

The weather is getting warmer and our pets are going to be spending more time outside. Here are a

few things you need to know to keep them safe

1. Anytime you have animals outside unattended, you need to provide a few things for them. Clean water and an approved shelter must be provided at all times. This is a requirement of the city ordinances regardless of how long the animal is outside.

2. Your animal can only be outside for 30 minutes if it is on a leash or chain. The only exception to this is if an adult over the age of 19 is outside with the animal or you have a fully fenced yard. Additionally, if you do have an animal on a tie-out, you must make certain that it cannot reach public sidewalks or your neighbor's

yard.

3. Remember to pick up your pet waste. Not only is this a health hazard to your animal but can also be a nuisance to your neighbors. The warmer weather will cause excess pet waste to smell very badly. The first offense could result in a \$500.00 fine.

4. Barking dogs are a common complaint. It is your responsibility as a dog owner to control your dog's action especially barking. Barking dogs can be heard for blocks and usually set off a chain reaction of other dogs barking.

5. It is unlawful to leave an animal unattended in a vehicle. Temperatures inside vehicles can easily reach over 100 degrees. This can cause serious health problems and even result in death. Even with the windows cracked and a bowl of water provided, the temperatures can still be too much for your animal to handle.

National Night Out Community Cookout in Carter Lake

The City of Carter Lake Police Department wants to invite you to the 'National Night Out Against Crime' FREE Community Cookout! The Community Cookout will be held Tuesday, August 6, 2019 from 6 - 9 p.m. at Mabrey Park (13th and Willow). This FREE event is open to the community. Please come celebrate with us and show that we stand strong together as a community and against crime. Police officers and city officials will be in attendance.

Come on out to enjoy inflatables, face painting, DNA kits for children, see and touch various types of police and fire vehicles, visit with our tactical bike and traffic units, and more. Don't forget to enjoy a free hotdog or hamburger on us!

This event was nationally founded in 1984, and is sponsored by the National Association of Town Watch in the United States and Canada. This year marks the 36th anniversary since the inception of this special nationwide event. It is meant to help bring the community together to show criminals

that as a community, we stand together against crime.

National Night Out is designed to:

1. Heighten crime and drug prevention awareness;
2. Generate support for, and participation in, local anticrime efforts;
3. Strengthen neighborhood spirit and police community partnerships and
4. Send a message to criminals, letting them know neighborhoods are organized and fighting back..

From 6 to 9 p.m. on Tuesday, August 6th, residents in neighborhoods throughout Carter Lake are asked to lock their doors, turn on outside lights and spend the evening outside with neighbors and police.

This is a night for Carter Lake to stand together to promote awareness, safety and neighborhood unity. National Night Out showcases the vital importance of police-community partnerships and citizen involvement in our fight to build a safer community.

Members of the Police and Fire Departments will be present and kids will be able to check out all the police and fire vehicles.

Stormwater Tips

Preventing Water Pollution is everyone's responsibility.

IN YOUR YARD

GUIDE TO LANDSCAPING

Plant Trees

Plant trees in your yard. The canopies intercept rain and evaporate water back into the atmosphere.

Native Plants

Use deep rooted native grasses and flowers in your gardens. Minimize the amount of turf in your yard, especially if you have a lot of open area, by using native plants.

Native Turf

Plant your yard with deep rooted native turf grasses. Try using Buffalo and Side Oats Gramma grasses, then mow as a standard lawn with no need to water or fertilize.

Rain Gardens

Create a rain garden to capture downspout water or runoff from your lawn. Dig a depressional area in a well drained area where soils will soak up water, not let it puddle. Amend soil before planting, if needed.
